Detailed Rationale

Crisil Ratings has assigned '**Crisil AAA/Stable**' ratings to Rs 35,000 crore of Non-Convertible Debentures (NCDs), Rs 2,20,000 crore of Rural Infrastructure Development Fund Deposit (MSE/PSL Deposit), Rs 25,000 crore of fixed deposits, bank loan facilities of Rs 1,40,000 crores and corporate credit rating, Rs 70,000 crore long-term certificate of deposit programme and '**Crisil A1+**' ratings to Rs 70,000 crores of short-term certificate of deposits programme of Small Industries Development Bank of India (SIDBI) and reaffirmed its '**Crisil AAA/Stable/Crisil A1+**' ratings on existing debt instruments of the entity.

The ratings continue to reflect the support that the bank receives from the government of India (GoI) because its pivotal public policy role in India's micro, small and medium enterprises (MSME) sector. The ratings also factor in the bank's robust capitalisation and healthy resource profile. The asset quality in the direct finance portfolio, though improving, remains weaker than that of the refinance book.

The bank's portfolio grew to Rs 4,84,933 crore as on March 31, 2024 from Rs 3,77,996 crore a year earlier, marking a year-on-year (y-o-y) growth of 28%, on a consolidated basis. Indirect finance book accounted for 94% of this overall portfolio (80% refinanced to Banks, SFBs and FIs; 12% refinanced to NBFC's and 2% refinanced to MFI's) and direct finance accounted for the remaining 6%. On a standalone basis, the loan portfolio stood at Rs 4,56,015 crore as on March 31, 2024, as against Rs 3,56,439 crore a year earlier. As of December 31, 2024, the loan book stood at Rs 4,64,118 crore, marking a modest expansion over the preceding nine-month period.

Analytical Approach

Crisil Ratings has combined the business and financial risk profiles of SIDBI, and its subsidiaries given the operational, managerial and financial linkages among the entities. Furthermore, the ratings continue to factor in the expectation of strong support from the government.

Please refer Annexure - List of entities consolidated, which captures the list of entities considered and their analytical treatment of consolidation

Key Rating Drivers & Detailed Description

Strengths:

Continuation of strong support from the government given SIDBI's key public policy role in India's MSME sector

SIDBI plays an important role in channeling finance to MSMEs and implements government initiatives for MSMEs, which is a major driver for India's manufacturing output. In addition, Micro Units Development and Refinance Agency (MUDRA), which lends to micro/small business entities, has been set up as a wholly owned subsidiary of SIDBI.

SIDBI played a pivotal role in implementing the different schemes of the government and the RBI to support the MSME sector after the pandemic. Since the onset of Covid-19, the RBI has allotted Rs 46,000 crore under three tranches of SLF to support MSMEs. Furthermore, SIDBI enhanced the scope of its current schemes, such as SIDBI Make-in-India Soft Loan Fund for Micro Small and Medium Enterprises and SIDBI Assistance to Facilitate Emergency response against Coronavirus, to support the MSMEs affected by pandemic-induced lockdowns. Subsequently, SIDBI has been instrumental in implementing schemes like EVOLVE, cluster development scheme, PM Vishwakarma, PM Swanidhi and others which were launched with the objective of supporting the growth, expansion and formalisation of the MSME sector.

The government is likely to continue supporting SIDBI given its role as the nodal agency for implementing public policies and channeling credit in the MSME sector.

Robust capitalisation

Capitalisation is supported by sizeable standalone network of Rs 35,719 crore as on December 31, 2024, and Rs 31,717 crore as on

March 31, 2024. On a consolidated basis, networth was Rs 34,147 crore as on March 31, 2024. Standalone overall capital adequacy ratio (CAR) was healthy at 18.5% as on December 31, 2024, having increased from 15.9% as on March 31, 2024 - lead by stipulated adoption of BASAL III norms for calculation of risk weights with effect from April 2024. On a consolidated basis, the overall capital adequacy ratio was 17.9% as on March 31, 2024.

Asset-side risks were adequately covered, with nil networth to net non-performing assets (NPAs) ratio as on March 31, 2024 (as net NPAs were negligible) on a consolidated basis as against 3,272 times, a year prior.

Subsequent to implementation of BASAL III guidelines from RBI with effect to April 1 2024, the minimum leverage ratio prescribed is 4 times which translates to around 24 times of Tier 1 capital, vis-à-vis earlier approved limited of 18 times of NOF (net own funds) by RBI for SIDBI. On March 31, 2024, the leverage ratio (including deposits) stood at 15.0 times (both consolidated and standalone) whereas on December 31, 2024, leverage was 13.5 on a standalone basis.

Healthy and diversified resource profile

Borrowings (including deposits), on a consolidated basis, were Rs 5,11,961 crore as on March 31, 2024 (Rs 4,00,604 crore as on March 31, 2023), of which deposits and bonds/debentures formed 47% and 19%, respectively. On December 31, 2024, borrowings (including deposits) were Rs 4,82,202 crore. The bank has access to funds at low interest rates under the special refinance schemes of the RBI. Resource profile has remained supported by stable traction in deposits allocated under the MSE refinance fund of SIDBI.

Cost of borrowings for the bank was 5.2% (based on average of year-end numbers) in fiscal 2024 against 4.1% in fiscal 2023. While there was a slight uptick in the same to 5.8% during nine months ended December 31, 2024 owing to the tail effect of macro interest rate scenario, SIDBI continues to mobilise funds at competitive rates.

Weakness:

Asset quality for the direct finance portfolio, though improving, remains a monitorable

Asset quality metrics of direct finance portfolio were impacted in prior years owing to slippage of a few large ticket exposures. However, SIDBI wrote off these legacy stressed accounts in fiscal 2022 and since then, NPAs from the direct finance portfolio have been stable and low.

As on September 30, 2024, GNPA for the direct finance portfolio stood at 0.32% (standalone) whereas for the indirect finance portfolio – GNPA was even lower at 0.01% (standalone) on the same date. At an overall level, GNPA stood at 0.02% on December 31, 2024 as against 0.01% on March 31, 2023.

Liquidity: Superior

The asset liability maturity profile as on February 28, 2025, is well matched across most buckets except the 3-6 months bucket where there is a negative cumulative gap. This gap is expected to be covered by uninterrupted rollover of liabilities during those respective time buckets.

As on March 31, 2025, SIDBI had total liquid investments of Rs 61,905 crore in the form of cash and bank balance (Rs 17,200 crore) and investment in government and other securities (Rs 44,155 crore). This balance excludes the benefit of inflows through scheduled collections. Against this, the scheduled debt obligations for the succeeding 3 months (April 2023 to June 2025) were Rs 85,828 crore.

Outlook: Stable

SIDBI is likely to continue to receive operational and funding support from the government and will maintain healthy capitalisation and resource profile over the medium term.

Rating Sensitivity Factors

Downward factors

- Any change in the support philosophy of the GoI or decrease in government shareholding, directly or indirectly (through quasi-government entities), below 51%
- Sharp weakening of the asset quality affecting profitability and capital levels

Return on assets (RoA) for fiscal 2024 stood at 1.2% (1.1% in fiscal 2023).

Growth in the asset book as well as a rising interest rate cycle benefitted profitability, resulting in higher PAT for nine months ended December 31, 2024, at Rs 4,007 crore; against Rs 3,624 crore of PAT reported for the corresponding period of previous fiscal, on a standalone basis. RoA stood at 1.0% and 1.0% for the respective periods.

Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) has reaffirmed Small Industries Development Bank of India (SIDBI's) ratings at 'CARE AAA; Stable / CARE A1+'. Ratings continue to factor SIDBI's role as the apex financial institution (FI) for promotion and development of the micro, small and medium enterprises (MSME) sector in India, healthy capitalisation levels, stable profitability metrics, strong resource profile, sound asset quality, and comfortable liquidity. Ratings also factor in Government of India's (GoI) and Reserve Bank of India's (RBI) support through budgetary allocations, continued access to the MSE Refinance Fund, equity contributions, past guarantees for foreign currency borrowings, and governance. CareEdge Ratings also takes into consideration concentrated lending profile of SIDBI. Top 10 exposures represented 57.48% of total exposure as of March 31, 2025.

Rating sensitivities: Factors likely to lead to rating actions

Positive factors: Factors that could individually or collectively lead to positive rating action/upgrade:

- Not applicable

Negative factors: Factors that could individually or collectively lead to negative rating action/downgrade:

- Any material changes in the government support and/or strategic role played by SIDBI in supporting the MSME sector.
- Significant dilution in the ownership by GOI and public sector entities.
- Deterioration in SIDBI's asset quality with gross non-performing asset (GNPA) ratio increasing to more than 3% of the total advances.
- Deterioration in SIDBI's standalone credit profile, including its profitability, liquidity and/or capitalisation metrics.

Analytical approach: Standalone

CareEdge Ratings has adopted standalone approach for analysing SIDBI, factoring in expected support from GoI. Funding requirements of subsidiaries have also been taken into consideration.

Outlook: Stable

Stable outlook factors in the continued support from the GOI, and that SIDBI will maintain healthy capitalisation, asset quality, and resource profile going forward.

Detailed description of key rating drivers:

Key strengths

¹Complete definition of ratings assigned are available at www.careratings.com and other CARE Ratings Limited's publications.

Strategic role in MSME development backed by GOI

Established in 1990 under an Act of Parliament, SIDBI serves as the apex financial institution for the promotion, financing, and development of the MSME sector in India. Designated as the nodal agency for MSME development, SIDBI benefits from sustained support from the GoI and RBI through budgetary allocations and access to the MSE Refinance Fund. Its major shareholders include the GoI (20.85%), State Bank of India (15.65%), Life Insurance Corporation of India (13.33%), and NABARD (9.36%), with the remaining stake held by public sector banks. SIDBI plays a pivotal role in MSME financing through direct and indirect lending, refinancing to banks and non-banking financial companies (NBFCs), and implementation of key schemes such as SMILE, CGTMSE, MUDRA, and TREDS. It also facilitates digital financial inclusion via platforms such as Udyamimitra and the GST Sahay app. With government-nominated directors on its board, SIDBI is expected to continue receiving strong capital and strategic support to enhance formal credit access for MSMEs.

Healthy capitalisation levels

SIDBI's capitalisation remains robust, with standalone tangible net worth increasing to ₹33,999 crore as of March 31, 2025, from ₹30,040 crore a year earlier. Under the revised Basel III norms effective April 2024, SIDBI comfortably surpasses the minimum regulatory thresholds for Capital Adequacy Ratio (CAR), Tier 1, and Common Equity Tier 1 (CET1)—reporting 19.62%, 18.58%, and 18.58%, respectively, against the norms of 9%, 7%, and 5.5%. Following regulatory changes, SIDBI is no longer subject to RBI-sanctioned borrowing limits (previously capped at 18x of net owned funds) and is now permitted a leverage ratio of up to 24x of Tier 1 capital. As of March 31, 2025, SIDBI's overall leverage, including deposits, stood at 15.08x (down from 15.88x in FY24). A proposed capital infusion of ₹5,000 crore (earlier 10,000 crore) by the Government of India is expected to further enhance its capital strength.

SIDBI's wholly owned subsidiaries are adequately capitalised and there is no anticipated requirement for capital support from the parent company in the near-to-medium term.

Strong resource profile

SIDBI's resource profile remains strong, supported primarily by domestic borrowings, low-cost MSE Refinance Funds, and a marginal share of overseas borrowings. As of March 2025, domestic borrowings constituted 61.63% of total resources (56.06% as of March 2024), MSE Refinance Funds accounted for 34.41% (39.65% as of March 2024), and overseas borrowings formed 0.23% (0.66% as of March 2024). In FY25, SIDBI was allocated ₹62,000 crore under the MSE Refinance Fund, of which ₹50,040 crore was received in the year, with the remaining received in Q1FY26. A similar level of priority sector lending (PSL) deposit allocation is anticipated in FY26. While MSE Fund allocation may decline as banks meet PSL targets, SIDBI is expected to maintain access to competitive funding, leveraging its apex FI status. A declining interest rate environment is expected to further reduce its overall cost of funds.

Stable profitability metrics

SIDBI's profitability, particularly its return on assets (RoA), continues to be moderated by regulatory caps on lending margins within the MSE refinance segment and its significant dependence on low-cost MSE funds. Spreads on refinancing through external borrowings also low (below 100 bps). In FY25, total advances grew by ~8.83% to ₹4.96 lakh crore, primarily driven by an increased share of higher-cost market borrowings replacing concessional MSE refinance funds. This shift resulted in a rise in lending and borrowing rates. Total income registered a 20.57% growth, supported by improved interest income, with yields rising to 7.03% (FY24: 6.86%). However, cost of funds also increased to 5.73% (FY24: 5.43%), leading to a narrowing of net interest spreads to 1.30% from 1.43% in the previous year. A marginal increase in credit costs (0.43% against 0.41%) further weighed on profitability, although this was partly offset by a reduction in operating expenses, which declined to 0.26%. Consequently, RoA saw a marginal uptick to 0.89% in FY25, compared to 0.87% in FY24. Spreads are likely to remain rangebound leading with opex and credit cost driving profitability metrics.

Strong asset quality metrics

SIDBI's asset quality, as measured by the gross non-performing assets (GNPA) ratio, marginally increased to 0.04% as of March 31, 2025, from 0.02% as on March 31, 2024. In absolute terms, GNPA remains comfortable at ₹183 crore, which is fully provided for, against a loan portfolio of ₹4,96,282 crore as of March 31, 2025. Majority non-performing assets arise from direct lending segment, which constitutes ~8% of the total loan book. Asset quality in the direct lending portfolio is comparatively weaker than in the refinance portfolio; however, its impact on overall asset quality metrics remains negligible.

CareEdge Ratings anticipates SIDBI's asset quality to remain robust given its predominant exposure to indirect finance—mainly banks and high-rated NBFCs—while direct financing exposure continues to be marginal.

Key weaknesses

Concentrated lending portfolio

As of March 31, 2025, indirect financing constituted 91.80% of the portfolio, slightly down from 93.65% a year earlier. Within this segment, refinancing to banks and financial institutions (FIs) and microfinance institutions (MFIs) declined, while refinancing to NBFCs increased. Refinancing to banks and FIs accounted for 77.64% of the total portfolio, followed by NBFCs at 12.93% and MFIs at 1.22%. Year-on-year, refinancing to banks and MFIs decreased by 1.98% and 0.70%, respectively, whereas refinancing to NBFCs and direct financing rose by 0.82% and 1.85%, which is in line with SIDBI's thrust on Direct Finance to provide an able ecosystem for the development of MSMEs in India.

Top 10 exposures represented 57.48% of total exposure as of March 31, 2025, down from 63.21%. This concentration risk is mitigated by low credit risk associated with the bank refinance portfolio, which forms majority exposures. Overall, despite high concentration, portfolio diversification and predominance of low-risk counterparties provide comfort on credit risk.

Liquidity: Strong

SIDBI's liquidity profile is strong as major portion of its loan book comprises refinance book with average period being 1-1.5 year, which is largely funded through rural infrastructure development fund (RIDF) deposits and long-term borrowings of a similar maturity. However, asset and liability management (ALM) statement as on March 31, 2025, exhibits negative cumulative mismatches in 29 days to 6-month buckets, which is expected to be filled through roll over of debts. It also has investments that are highly liquid and can be called at any time.

As of March 31, 2025, liquid investments totalled ₹51,652 crore, including cash and bank balances (₹17,672 crore) and government securities (₹33,980 crore). This excludes scheduled collections of ₹43,357 crore while scheduled debt obligations for the next three months stood at ₹1,11,727 crore. Due to its status as an apex financial institution, and that it is owned by GoI and its entities, SIDBI has strong access to capital market, which further strengthens its liquidity position.

Basis for Opinion

2. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Group, associates in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial

Statements and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

3. We invite attention to Note No. 5 to the consolidated financial results regarding additional provision on standard advances at rates higher than minimum stipulated under IRAC norms, as per Board approved Accelerated Provisioning Policy.

Our opinion is not modified in respect of the above matters.

Management Responsibilities for the Consolidated Financial Results

4. The Statement has been prepared on the basis of the audited consolidated annual financial statements. The Bank's Management is responsible for the preparation and presentation of these consolidated Financial Results that give a true and fair view of the consolidated net profit and other financial information of the Group including its associates in accordance with the Small Industries Development Bank of India General Regulations, 2000, and recognition and measurement principles laid down in the Accounting Standards issued by ICAI, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ("RBI Guidelines") and other accounting principles generally accepted in India and in compliance with Listing Regulations. The respective management of the entities included in the Group and of its associates are responsible for maintenance of adequate accounting records for safeguarding of the assets of the Group and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud

or error which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Bank, as aforesaid.

In preparing the Consolidated Financial Results, the respective Management of the entities included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the respective entities Group or to cease operations, or has no realistic alternative but to do so.

The respective Management of the entities included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

5. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Financial Results, including the disclosures, and whether the consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Bank and such other entities included in the consolidated Financial Results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant

audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

These unaudited Financial Statements / financial results/ financial information have been furnished to us by the Bank's Management and our opinion on the consolidated Financial statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates is based solely on such unaudited Financial Statements/financial results/financial information. We have relied on the management's written representation to us that the effect of the changes /

adjustments, if any, required to be made to the reported numbers of these subsidiaries and associates consequent to their audit would not be material for the Group.

Further, associates that are non-performing or the bank is not having significant influence have not been included in the consolidation. Additionally, one associate has been excluded from consolidation as it is planned for divestment as informed by the Bank.

Independent Auditors' Report on Audited Standalone Financial Results of Small Industries Development Bank of India (SIDBI) for the quarter and year ended March 31, 2025 pursuant to Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 (as amended)

To,
The Board of Directors
Small Industries Development Bank of India

Report on the Audit of the Standalone Financial Results

Opinion

1. We have audited the accompanying Standalone Financial Results of **Small Industries Development Bank of India** (the "Bank") for the quarter and year ended March 31, 2025 (hereinafter referred to as the "Standalone Financial Results") attached herewith, being submitted by the Bank pursuant to the requirement of Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations") except for the disclosures relating to "Pillar 3 under Basel III Capital Regulations" which has been disclosed on the Bank's website and in respect of which a link has been provided in the aforesaid Standalone Financial Results and have not been audited by us.
2. In our opinion and to the best of our information and according to explanations given to us, the aforesaid statement:
 - a) is presented in accordance with the requirements of Regulation 52 read with Regulation 63(2) of the Listing Regulations in this regard except for the disclosures relating to "Pillar 3 under Basel III Capital Regulations" which has been disclosed on the Bank's website and in respect of which a link has been provided in the aforesaid Standalone Financial Results and have not been audited by us and

- b) gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ("RBI Guidelines") and other accounting principles generally accepted in India, of the net profit and other financial information for the quarter and year ended March 31, 2025.

Basis for Opinion

3. We conducted our audit of the Standalone financial results in accordance with the Standards of Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("the ICAI"). Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Results' section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the ICAI together with the ethical requirements that are relevant to our audit of the Standalone Financial Results under the provision of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion on the standalone financial results.

Emphasis of Matter

We invite attention to Note No. 5 to the Standalone financial results which describes the additional provision on standard advances at rates higher than minimum stipulated under IRAC norms, as per Board approved Accelerated Provisioning Policy.

Our opinion is not modified in respect of above matter.

Management's responsibilities for the Standalone Financial Results

The Standalone Financial Results have been prepared on the basis of the Audited Standalone Annual Financial Statements. The Bank's Management are responsible for the preparation of these Standalone Financial Results that give true and fair view of the net profit and other financial information in accordance with the Small Industries Development Bank of India

General Regulations, 2000, and recognition and measurement principles laid down in the Accounting Standards issued by ICAI, the circulars, guidelines and directions issued by the RBI from time to time ("RBI Guidelines and other accounting principles generally accepted in India and in compliance with the Listing Regulations. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimate that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial Results that give true and fair view and are free from material misstatement, whether due to fraud or error.

4. In preparing the standalone financial Results, the Management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.
5. Bank's Management is also responsible for overseeing the Bank's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Results

6. Our objectives are to obtain reasonable assurance about whether the standalone financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial Results.

7. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances,
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

8. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

9. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

10. These standalone Financial Results incorporate the relevant returns of 33 Branches visited/audited by us including Head office which covers 82.53% of Advances, 98.54% of deposits, 100% of Borrowings as on March 31, 2025 and 82.83% of Interest income on advances, 97.27% of interest expense on deposits and 99.77% of interest expense on borrowings for the year ending March 31, 2025. These branches have been selected in consultation with the management of the bank. In conduct our audit, we have relied upon various information and returns received from remaining branches of the Bank not visited by us, generated through centralised database at Head Office.
11. The standalone financial results for the quarter ended March 31, 2025 being the derived balancing figures between the standalone audited figures in respect of full financial year ended 31st March 2025 and published standalone unaudited year to date figures up to the end of the third quarter of the relevant financial year. The figures up to the end of the third quarter i.e. nine month ended 31st December 2024, are reviewed and not subjected to audit by us.
