Audited Balance Sheet along with  
Profit and Loss Account and  
Cash Flow Statement of SIDBI

# Independent Auditor's Report

The Shareholders of  
Small Industries Development Bank of India

## 1. Opinion

We have audited the accompanying Standalone Financial Statements of "Small Industries Development Bank of India" ("the Bank"), which comprise the Balance Sheet as at March 31, 2019, the Profit and Loss account, Statement of Cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the bank as at March 31, 2019, of its financial performance and its cash flows for the year then ended in accordance with Regulation 14 (i) of Small Industries Development Bank of India General Regulations 2000, and the Accounting principles generally accepted in India.

## 2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

The key audit matters identified in our audit are:

Sr. No.	Key Audit Matter	Response to Key Audit Matter
1.	<p><b>Contingent Liability and Provision for Income Tax:</b></p> <p>In the recognition and measurement of provisions, there is uncertainty about the timing or amount of the future expenditure required to settle the liability.</p> <p>In respect of contingent liabilities, there are estimates and assumptions made to determine the amount to be disclosed.</p> <p>As a result, there is a high degree of judgment required for the recognition and measurement of provisions and disclosure of contingent liabilities.</p>	<p>In respect of bad debts written off and claimed under section 36 (1) (vii) (c) of the Income Tax 1961, the Income Tax Department has disallowed the claim citing that the Bank has claimed double tax benefit as the Bank has already been allowed benefit at the time of making provision for doubtful debts.</p> <p>We have verified the previous pending litigation orders. In certain years, the Income Tax Appellate Tribunal has already allowed the Bank's claim, which is challenged by the Department before higher authorities. Further, the Bank has obtained views of external tax expert to ascertain the chances of sustainability of Bank's claim and based on their views, no provision for tax is made considering the same to be allowable.</p>

## 3. Emphasis of Matter

- i. **Refer Note No. 1** - As per RBI circular dated August 4, 2016, financial statements of the bank are required to be presented in accordance with the IND AS for accounting periods beginning from April 1, 2018. However, as per the bank, pending modification in SIDBI Regulations, 2000 regarding the IND- AS Formats and guidance from RBI, the financials for the year ended are continued to be presented as per Indian GAAP.
- ii. **Refer Note No. 2.1** - During the year the Bank has created Deferred Tax Assets of ₹ 1,65,77,82,586/-, for the first time, on carried forward Capital Losses, provision on Non Performing Investment and provision on Standard Assets made during year.

Our opinion is not modified in respect of these matters.

## 4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Response to Key Audit Matter
	The Bank has reported contingent liabilities of Income Tax amounting to ₹ 6,98,13,20,359/- towards claims against the Bank not acknowledged as debts in the financial statements.	Thus, in respect to demands outstanding with regard to section 36 (1) (vii) (c) and other disallowances / matters, where the assessment has been made against the Bank and appeals are pending, the same are included in contingent liability and hence no provision is considered necessary.
<b>2.</b>	<p><b>Information Technology general Controls:</b></p> <p>A significant part of the Bank's financial reporting process is heavily reliant on IT systems with automated processes and controls over the capture, storage and extraction of information.</p> <p>A fundamental component of these processes and controls is ensuring appropriate user access and change management protocols exist and being adhered to. These protocols are important because they ensure that access and changes to IT systems and related data are made and authorised in an appropriate manner.</p>	<p>We focused our audit on IT systems and controls that are significant to the Bank's financial reporting process.</p> <p>The Bank has a system in place for getting application software audits for identified Application Systems at reasonable intervals. Information Systems (IS) Audit is done at branches by officers of the Bank at reasonable intervals.</p> <p>We have relied on the Application Systems Audits carried by external consultants and IS audits done at the branches.</p> <p>We have reviewed reports of external consultants and IS audits done at the branches on sample basis and the same were found to be in order.</p> <p>Where required, we performed a greater level of testing to validate the integrity and reliability of data and reporting thereof.</p>

## 5. Other Information

The Bank's Board of Directors is responsible for the Other Information. The Other Information comprises the information included in the CMD's Statement, Directors' Report, Overall Business Operations, Management and Corporate Governance but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Other Information and we do not express any form of assurance / conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the Other Information and, in doing so, consider whether the Other Information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

As on date, the CMD's Statement, Directors' Report, Overall Business Operations, Management and Corporate Governance are under preparation. When we read the same and if we conclude that there is any material misstatement therein, then we will communicate the matter to those charged with governance.

## 6. Other Matters

Incorporated in these financial statements are the returns of 25 Branches visited by us for the purpose of audit including Head Office which accounts for 97.22% of Advances, 99.61% of Deposits, 100% of Borrowings, 95.49% of interest income on Advances, 99.51% of interest expense on Deposits and 100% of interest expense on Borrowings. These branches have been selected in consultation with the Bank. We have not visited remaining branches of the Bank and have reviewed their returns at the Head Office.

## 7. Responsibilities of Management for the Financial Statements

Management of Bank is responsible for the preparation and fair presentation of the financial statements in accordance with Small Industries Development Bank of India General Regulations 2000, and the Accounting principles generally accepted in India, and for such internal controls as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

## 8. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis

of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

<b>Estimated amount of contracts remaining to be executed on Capital Account not provided for (net of advance paid)</b>	2,92,86,993	1,02,46,63,903

- 9 Premises in Schedule IX include advances towards acquisition of Premises ₹ 11,06,68,896 (Previous Year ₹ 11,06,68,896) and Capital Work in Progress ₹ 18,59,429 (Previous Year ₹ 3,83,22,688). The advance towards acquisition of Premises ₹ 11,06,68,896 was paid towards acquisition of office premises, proposal of which was subsequently cancelled. The Bank is in correspondence with the Agency for refund of the advance amount. The issue has been taken up with the concerned Govt. department. The deal has not been officially cancelled. Hence the amount is not considered doubtful.
- 10 In respect of foreign currency borrowings of JPY 30 billion (JPY 10.24 billion as on March 31, 2019) under Line V from Japan International Cooperation Agency (JICA) (previously known as Japan Bank of International Cooperation-JBIC), Exchange Rate Fluctuation Fund (ERFF) has been created as per terms agreed with Government of India (GOI) and included in Foreign Currency Fluctuation Reserve Fund. Applicable interest at notified rate is credited to this ERFF account and interest payable to JICA at contracted rate is debited out of this account. Also, half yearly compounding is calculated on the opening balance in ERFF account at notified rate. The difference on account of exchange fluctuation arising on principal account amounting to ₹ 2,68,24,49,630.06 (Previous Year ₹ 3,48,90,46,842) has been netted off against ERFF as permitted by the Government of India. Adjustment to the Fund Account, if necessary, will be made as per directions of Government of India in future. In case, the balance in the Fund is insufficient, the claim will be on Government of India. As the present balance under ERFF is expected to take care of debt servicing and exchange rate fluctuations, further contribution to the ERFF has been discontinued till such time the ERFF balance remains surplus vis a vis the loan outstanding under JICA-V LoC.
- 11 The borrowing of ₹ 2,18,04,44,418 (Previous Year ₹ 2,61,65,33,300) from Govt. of India under the JICA IV loan is carried forward in the 'schedule IV - Borrowings' to the Balance Sheet at its historic rupee value since SIDBI's liability towards principal repayment under the agreement, is not expected to exceed the aggregate of rupee borrowings and the balance in the ERFF maintained for this loan. Applicable interest at 8% is credited to this ERFF account and interest payable in JPY (converted to equivalent INR) is debited out of this account. The balance as on March 31, 2019 in ERFF maintained for this loan is ₹ 2,07,46,84,419 (Previous Year ₹ 2,50,24,79,068).
- 12 The Bank has contracted a line of credit for USD 300 million from World Bank for scaling up Sustainable and Responsible Micro Finance Project including IDA portion aggregating SDR 65.9 million (equivalent of USD 100 million). Under IDA line, Govt. of India is the borrower and rupee funds are lent to SIDBI by GOI though the exchange risk on the underlying is required to be borne by SIDBI as per the terms of the agreement. Thus, though GOI released rupee funds to SIDBI, the same was recorded as SDR liability in the books of SIDBI to depict correct position so that revaluation difference gets suitably reflected in the year end figures. Accordingly, the drawal effected under the above line aggregating SDR 52.72 million (equivalent to ₹ 506.09 crore) as on March 31, 2019 [Previous Year SDR 56.02 million (equivalent to ₹ 532.30 crore)] from GOI is recorded as SDR liability and the underlying liability has been hedged by way of Cross Currency Interest Rate Swaps. The same has been grouped under schedule IV - 'Borrowings in India'.
- 13 a) Government of India (GOI) has created "India Microfinance Equity Fund (IMEF)" with SIDBI with a corpus of ₹ 300 crore. The Fund shall be utilised for extending equity or any other form of capital to Tier – II and Tier – III NBFC MFIs and all Non-NBFC MFIs, with a focus on smaller socially oriented MFIs with the objective of poverty alleviation and achieving long term sustainability of operations in unserved and underserved parts of the country. "The fund is operated/managed by SIDBI for which an administrative fee for managing the fund is received by SIDBI. Further, the inflows and outflows are debited/credited to the fund. Hence, fund balance of IMEF, net of investment is grouped under "Other Liabilities" in the Balance Sheet and all gains/losses/income/ expenditure are the part of the fund. The balance in the fund is ₹ 2,39,72,13,696 as on March 31 2019 (Previous year ₹ 2,16,42,49,205).

The entire corpus of ₹ 310 crore has been released by Government, out of which ₹ 210 crore has been released during the FY 2019. These investments (out of ASPIRE fund) are held by SIDBI in fiduciary capacity. ## APPENDIX II

Consolidated Balance Sheet along  
with Profit and Loss Account and  
Cash Flow Statement of SIDBI

# Independent Auditor's Report

The Shareholders  
Small Industries Development Bank of India

## Report on Consolidated Financial Statements

### 1. Opinion

We have audited the accompanying Consolidated Financial Statements of "Small Industries Development Bank of India" ("the Bank"), its subsidiaries and associates (the Bank, its subsidiaries and associates constitute "the Group") as at March 31, 2019 which comprises the consolidated Balance Sheet as at March 31, 2019, and the consolidated Profit and Loss account and consolidated Cash Flow Statement for the year then ended, notes to the consolidated financial statements and a summary of significant accounting policies ("the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statement give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the group as at 31<sup>st</sup> March 2019, of the consolidated Profits and its consolidated cash flows for the year then ended.

### 2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters applicable only to the Bank are as under:

Sr. No.	Key Audit Matter	Response to Key Audit Matter
1.	<p><b>Contingent Liability and Provision for Income Tax:</b></p> <p>In the recognition and measurement of provisions, there is uncertainty about the timing or amount of the future expenditure required to settle the liability.</p> <p>In respect of contingent liabilities, there are estimates and assumptions made to determine the amount to be disclosed.</p>	<p>In respect of bad debts written off and claimed under section 36 (1) (vii) (c) of the Income Tax 1961, the Income Tax Department has disallowed the claim citing that the Bank has claimed double tax benefit as the Bank has already been allowed benefit at the time of making provision for doubtful debts.</p>

### 3. Emphasis of Matter

- i. Refer Note No. 1 of Standalone Financial Statement of the Bank -As per RBI circular dated August 4, 2016, financial statements of the bank are required to be presented in accordance with the IND AS for accounting periods beginning from April 1, 2018. However, as per the bank, pending modification in SIDBI Regulations, 2000 regarding the IND- AS Formats and guidance from RBI, the financials for the year ended are continued to be presented as per Indian GAAP.
- ii. We draw attention to:
  - a) Note No. 4B of Annexure I to Consolidated Financial Statements with regard to non-consolidation of 6 (six) associates, wherein as per the management the carrying amount of the investments are not realisable and are fully provided for.
  - b) Note No. 4C of Annexure I to Consolidated Financial Statements with regard to non-consolidation of 4 (four) associates, as in view of the management these are not significant components and hence not considered for consolidation.

Our opinion is not modified in respect of these matters.

### 4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Response to Key Audit Matter
	<p>As a result, there is a high degree of judgment required for the recognition and measurement of provisions and disclosure of contingent liabilities.</p> <p>The Bank has reported contingent liabilities of Income Tax amounting to ₹ 6,98,13,20,359/- towards claims against the Bank not acknowledged as debts in the financial statements</p>	<p>We have verified the previous pending litigation orders. In certain years, the Income Tax Appellate Tribunal has already allowed the Bank's claim, which is challenged by the Department before higher authorities. Further, the Bank has obtained views of external tax expert to ascertain the chances of sustainability of Bank's claim and based on their views, no provision for tax is made considering the same to be allowable.</p> <p>Thus, in respect to demands outstanding with regard to section 36 (1) (vii) (c) and other disallowances / matters, where the assessment has been made against the Bank and appeals are pending, the same are included in contingent liability and hence no provision is considered necessary.</p>
2.	<p><b>Information Technology general Controls:</b></p> <p>A significant part of the Bank's financial reporting process is heavily reliant on IT systems with automated processes and controls over the capture, storage and extraction of information.</p> <p>A fundamental component of these processes and controls is ensuring appropriate user access and change management protocols exist and being adhered to. These protocols are important because they ensure that access and changes to IT systems and related data are made and authorised in an appropriate manner.</p>	<p>We focused our audit on IT systems and controls that are significant to the Bank's financial reporting process.</p> <p>The Bank has a system in place for getting application software audits for identified Application Systems at reasonable intervals. Information Systems (IS) Audit is done at branches by officers of the Bank at reasonable intervals.</p> <p>We have relied on the Application Systems Audits carried by external consultants and IS audits done at the branches.</p> <p>We have reviewed reports of external consultants and IS audits done at the branches on sample basis and the same were found to be in order.</p> <p>Where required, we performed a greater level of testing to validate the integrity and reliability of data and reporting thereof.</p>

## 5. Other Information

The Other Information comprises the information included in the CMD's Statement, Directors' Report, Overall Business Operations, Management and Corporate Governance but does not include the consolidated financial statements and our auditor's report thereon.

The consolidated financial statements also include Group's share of net profit of ₹ 19,39,45,043 for the year ended March 31, 2019 as considered in the consolidated financial statements,

in respect of 6 (Six) associates whose financial statements have not been audited by us. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated financial statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report is based solely on the report of the other auditors.

## **7. Responsibilities of Management and those charged with Governance for the Consolidated Financial Statements**

The Bank's Management is responsible for the preparation and presentation of these consolidated financial statements on the basis of separate financial statements and other financial information regarding components that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards issued by the Institute of Chartered Accountants of India. The respective Board of directors of companies

are responsible for maintenance of adequate accounting records, for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Bank's management, as aforesaid.

In preparing the consolidated financial statements, the respective Board of directors of the bank and companies included in the Group and of its associates are responsible for assessing the ability of the group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

The respective Board of directors of the bank and companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the group.

## **8. Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient

and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on

our independence, and where applicable, related safeguards.
